

Ash Wednesday - 1/1

Interprété par Shivaree.

CD I oughtta give you a shot in the head for making me live in this dump

Goodnight

goodnight

Leave all your toys

Candles and cats

A few stupid boys

And a rock for good luck

Two different eyes

Leave your red birds to sing us lullabies

And some books and a baby

A ceiling of gold

The New York yankees

And a bottle of snow
