Interprété par Supermen lovers.

I been hanging down the east side
A chance for everyone
But then I haven't seen you for long time
From my home town
Chœur:
Youwill seeyour dreamcome true
Chanteur:
I seemy dream for it
You will rise abovethe room
I willyour riseabove
Chanteur:
Thought of you and took up here
Chœur : (en même temps)
Now release your mind
Not gonna mess around
You are what you want
Mum and Dad would be so proud
Time is taking lies
You never let me down You are what you mean
Starlight, can you give me the fame ? Starlight !!
