

Take my breath away - 1/1

Interprété par Emma Bunton.

CD A girl like me
If I told you how I feel about you
 Would you say the same and
 If I wrote it in a letter
 Would you keep it or throw it away
I never thought I'd feel the way
 I'm feeling lately
 When everything you seem to do just drives me crazy
Every waking day you take my breath
 away
 With every word you say you take my breath away
 You look at me that way, baby come what may
 I hope that you'll always know how to take my breath away
 How to take my breath away
 You told me how you feel about me
 Cos I did not know
 If you said you'd fill my heart with all your loving
 Til it overflowed
 I don't know the way you feel but boy I'm hoping
 I always used to hide a way, but now I'm open
 Every waking day you take my breath away
 With every word you say you take my breath away
 You look at me that way, baby come what may
 I hope that you'll always know how to take my breath away
 How to take my breath away
 Take my breath away
 Take my breath away
 Take my breath away
 Every waking day you take my breath away
 With every word you say you take my breath away
 You look at me that way, baby come what may
 I hope that you'll always know how to take my breath away
 How to take my breath away
 (How to take my breath away)
 Take my breath away
 Take my breath away
 (How to take my breath away)
 Take my breath away
 Take my breath away
 Take my breath away
 Take my breath away
