Interprété par Michaël Jackson.

CD Blood on the dance floor

She got your number

She know your game

She put you under

It's so insane

Since she seduced

you

How does it feel

To know that woman

Is out to kill Every night stance

is like takin' a chance

It's not about love and romance

And now you're gonna get it Every hot man is out

takin' a chance

It's not about love and romance

And now you do regret it To escape the world

I've got to enjoy that simple dance

And it seemed that everything was on my side

(Blood on my side)

It seemed to me like it was love and true romance

And now she's got to get me

And I just can't take it

Just can't break it Susie's got your number

And Susie ain't your friend

Look who took you under

With seven inches in

Blood is on the dance floor

Blood is on the knife

Susie's got your number

And Susie says its right She got your number

How does it feel

To know the stranger

Is out to kill She got your baby

It happened fast

If you could only

Erase the past Every night stance

is like takin' a chance

It's not about love and romance

And now you're gonna get it Every hot man is out

takin a chance

It's not about love and romance

And now you do regret it To escape the world

I got to enjoy this simple dance

And it seemed that everything was on my side

(Blood is on my side)

Blood on the dance floor - 2/2

It seemed to me like it was love and true romance
And now she's out to get me
And I just can't take it
Just can't break it Susie's got your number
And Susie ain't your friend
Look who took you under
With seven inches in
Blood is on the dance floor
Blood is on the knife
Susie's got your number
And Susie says its right Susie's got your number
Susie ain't your friend
Look who took you under
She put seven inches in
Blood is on the dance floor
Blood is on the knife
Susie's got your number
Susie says it's right
It was blood on the dance floor
(Blood on the dance floor)
It was blood on the dance floor
(Blood on the dance floor)
It was blood on the dance floor
(Blood on the dance floor)
It was blood on the dance floor
(Blood on the dance floor) And I just can't take
it
The girl won't break it
Ooo...
