D.S.

They wanna get my ass
Dead or alive
You know he really tried to take me
Down by surprise
I bet he missioned with the CIA
He don't do half what he say
Dom Sheldon is a cold man
He out shock in every single way
He'll stop at nothing just to get his political say
He think he hot cause he's BSTA
I bet he never had a social life anyway
You think he brother with the KKK?
I bet his mother never taught him
Right anyway
He want your vote just to remain TA.
He don't do half what he say
Dom Sheldon is a cold man
Dom S.Sheldon is a cold man
Dom Sheldon is a cold man
Does he send letters to the FBI?
Did he say to either do it or die?
Dom Sheldon is a cold man
Dom S.Sheldon is a cold man
Dom Sheldon is a cold man
Dom Sheldon is a cold man
Dom Sheldon is a cold man
Dom S.Sheldon is a cold man
