

## Together Again - 1/2

**Interprété par Janet Jackson.**

There are times when I look above and beyond  
There are times when I feel your love around me baby  
I'll never forget my baby  
I'll never forget you

There are times when I look above and beyond  
There are times when I feel your love around me baby  
I'll never forget my baby

When I feel that I don't belong  
Draw my strength  
From the words when you said  
Hey it's about you baby  
Look deeper inside you baby

Dream about us together again  
What I want us together again baby  
I know we'll be together again 'cause

Everywhere I go  
Every smile I see  
I know you are there  
Smilin' back at me  
Dancin' in moonlight  
I know you are free  
'Cause I can see your star  
Shinin' down on me

Good times we'll share again  
Makes me wanna dance  
Say it loud and proud  
All my love's for you

Always been a true angel to me  
Now above  
I can't wait for you to wrap your wings around me baby  
Wrap them around me baby

Sometimes hear you whisperin'  
No more pain  
No worries will you ever see now baby  
I'm so happy for my baby

Dream about us together again  
What I want us together again baby  
I know we'll be together again 'cause

## Together Again - 2/2

Everywhere I go  
Every smile I see  
I know you are there  
Smilin' back at me  
Dancin' in moonlight  
I know you are free  
'Cause I can see your star  
Shinin' down on me

Good times we'll share again  
Makes me wanna dance  
Say it loud and proud  
All my love's for you

There are times when I feel your love around me baby  
I'll never forget my baby  
What I'd give just to hold you close  
As on earth  
In heaven we will be together baby  
Together again my baby

Everywhere I go  
Every smile I see  
I know you are there  
Smilin' back at me  
Dancin' in moonlight  
I know you are free  
'Cause I can see your star  
Shinin' down on me

Everywhere I go  
Every smile I see  
I know you are there  
Smilin' back at me  
Dancin' in moonlight  
I know you are free  
'Cause I can see your star  
Shinin' down on me
