

## Butterfly - 1/2

Interprété par Crazy Town.

Chorus:

Come my lady  
Come come my lady, you're my butterfly  
Sugar baby (X2)

Such a sexy, sexy pretty little thing  
Fierce nipple pierce you got me sprung with your tongue ring and I ain't gonna lie cause your loving gets me high  
So to keep you by my side there's nothing that I won't try  
Butterflies in her eyes and looks to kill  
Time is passing  
I'm asking could this be real  
Cause I can't sleep I can't hold still  
The only thing I really know is she got sex appeal  
I can feel too much is never enough  
You're always there to lift me up  
When these times get rough I was lost  
Now I'm found  
Ever since you've been around  
You're the women that I want  
So yo, I'm putting it down.

CHORUS

I don't deserve you unless it's some kind of hidden message to show me life is precious  
Then I guess it's true  
To tell truth, I really never knew  
T'll I met you I was lost and confused  
Twisted and used up  
Knew a better life existed but thought that I missed it  
My lifestyle's wild I was living like a wild child  
Trapped on a short leash paroled the police files  
And yo. what's happening now?  
I see the sun breaking shining through dark clouds and a vision of you standing out in a crowd.

CHORUS

Hey sugar momma, come and dance with me  
The smartest thing you ever did was take a chance with me  
So, what ever tickles your fancy  
Girl it's you like Sid and Nancy  
So sexy....almost evil  
Talkin' about butterflies in my head  
I used to think happy endings were only in the books I read  
But you made me feel alive when I was almost dead  
You filled that empty space with the love I used to chase  
And as far as I can see it don't get better than this

## Butterfly - 2/2
