

True colors - 1/2

Interprété par Phil Collins.

CD Hits

You with the sad eyes
Don't be discouraged
Oh I realize
It's hard to take courage
In a world full of people
You can lose sight of it all
And the darkness, inside you
Can make you feel so small

But I see your true colors
Shining through
I see your true colors
And that's why I love you
So don't be afraid to let them show
Your true colors
True colors are beautiful,
Like a rainbow

Show me a smile then,
Don't be unhappy, can't remember
When I last saw you laughing
If this world makes you crazy
And you've taken all you can bear
You call me up
Because you know I'll be there

And I'll see your true colors
Shining through
I see your true colors
And that's why I love you
So don't be afraid to let them show
Your true colors
True colors are beautiful,
Like a rainbow

[intru part]

So sad eyes
Discouraged now
Realize

When this world makes you crazy
And you've taken all you can bear
You call me up

True colors - 2/2

Because you know I'll be there

And I'll see your true colors

Shining through

I see your true colors

And that's why I love you

So don't be afraid to let them show

Your true colors

True colors, true colors

Cos there's a shining through

I see your true colors

And that's why I love you

So don't be afraid to let them show

Your true colors, true colors

True colors are beautiful,

Beautiful, like a rainbow
