

Mutt - 1/1

Interprété par Blink 182.

He pauses shaving and he tells himself that he is the bomb
She has her curlers set, her credit cards are paying the funds
He's not that old, I've been told
A strong sexual goal

She goes out ever day
She goes every way...oh yeah!
And they don't even care at all

She's open waiting for more
And I know he's only looking to score
And it's way too unhealthy
Often they've typically
Been starved for attention before

She smokes a dozen and he doesn't seem to notice the smell
He took the seat off his own bike because of the way that it felt
He wants to bone, this I know
She is ready to blow

They go out every night
His pants are super tight...oh yeah!
And they don't even care at all
