

# Mambo, mambo - 1/1

**Interprété par Lou Bega.**

I dance the rumba, the salsa, the cha-cha  
the limbo, the foxtrot and even the tango  
with ladies and girlies with mummies and babies  
and DJ's gone play this cause its on their playlist  
and on my journey thru all of these dances  
I found a lot of hot sax romnces  
but Mambo seeked meand Mambo freaked me  
than she released me - and this is how we go

Mambo Mambo eh eh - the babes are all around me  
Mambo Mambo eh eh - dancin' all night long  
Mambo Mambo eh eh - the babes are all around me  
Mambo Mambo eh eh - to the break of dawn

I like the sweeties in tiny bikinis  
they tease me they squeeze me so living is easy  
let's ride to me casa on 69 plaza  
go top down so drop down all of your prada  
and on my journey thru all of these dances  
I found a lot of hot sax romances  
but Mambo seeked me and Mambo freaked me  
than she released me - and this is how we go

Mambo Mambo eh eh - the babes are all around me  
Mambo Mambo eh eh - dancin' all night long  
Mambo Mambo eh eh - the babes are all around me  
Mambo Mambo eh eh - thank you for this dance

(Repeat the 1st verse)
