

I believe I can fly - 1/2

Interprété par Space Jam.

I used to think

that I could not go wrong
And life was nothing but an awful song
But now I know the meaning of true love
I'm leaning on the everlasting arms
If I can see it, then I can do it

If I just believe it, there's nothing to it
I believe I can fly

I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away
I believe I can soar
I see me running through that open door
I believe I can fly
I believe I can fly
I believe I can fly
See I was on the verge of breaking down

Some times in silence can seem so loud
There are miracles in life I must achieve
But first I know it starts inside of me
If I can see it, then I can be it

If I just believe it, there's nothing to it
I believe I can fly

I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away
I believe I can soar
I see me running through that open door
I believe I can fly
I believe I can fly
Oh I believe I can fly
Could I believe in it?

If I can see it, then I can do it
If I just believe it, there's nothing to it
I believe I can fly

I believe I can touch the sky
I think about it every night and day
Spread my wings and fly away
I believe I can soar
I see me running through that open door

I believe I can fly - 2/2

I believe I can fly, I believe I can fly, I believe I can fly

If I just spread my wings

I can fly, I can fly, I can fly

If I just spread my wings

I can fly
