

## Sha la la la la - 1/1

**Interprété par Vengaboys.**

There's a boy in my mind and he knows  
I am thinking of him  
all my way through the day and the night  
stars shine above me  
he's been gone for sum time  
but i know i truley love him  
and iam singing a song  
hoping he'll be back when he hears it

my heart goes shalalala shalala in the morning  
shalalala shalala in the sunshine  
shalalala shalala in the evening  
shalalala shalala just for you!

(make some noise for the vengaboys!)

if your lucks gone away just like mine  
you feel like crying  
sing along maybe once  
maybe twice lets try it together  
sum sweet day no one knows you'll return and you'll be happy  
shouting sweet in a song  
listen to your heart it is singing

my heart goes shalalala shalala in the morning  
shalalala shalala in the sunshine  
shalalala shalala in the evening  
shalalala shalala just for you!

my heart goes shalalala shalala in the morning  
shalalala shalala in the sunshine  
shalalala shalala in the evening  
shalalala shalala just for you!
