

When you say nothing at all - 1/1

it's amazing how you can speak right to my heart ,
without saying a word you can light up the dark ,
trying i may i can never explain what i hear when you dont say a thing....
the smile on your face let me know that you need me ,
there's a truth in your eyes saying you'll never leave me
the touch of your hands says you'll catch me wherever i fall
you say a best when you say nothing at all

all along i can hear people talking about love ..ohohoh

holding you holding me ,
youthe crowd
trying they may they can never define,
what 's been said between your heart & mine.....

the smile on your face let me know that you need me ,
there's a truth in your eyes saying you'll never leave me
the touch of your hands says you'll catch me wherever i fall
you say a best when you say nothing at all

the smile on your face let me know that you need me ,
there's a truth in your eyes saying you'll never leave me
the touch of your hands says you'll catch me wherever i fall
you say a best when you say nothing at all

(you say a best when you say nothing at all)
(you say a best when you say nothing at all)

the smile on your face,
the truth in your eyes,
thet touch of your hands let me know that you need me

(you say a best when you say nothing at all)
