

Rise - 1/1

Interprété par Gabrielle.

I know that it's over
But I can't believe we're through
They say that time is a healer
And i'm better without you
It's gonna take time i know
But I'll get over you

Just Looking my life
Looking my heart
I have seen them fall apart
Now i'm ready to rise again
Looking my hopes
Looking my dreams
Building bridges from the seas
Now I'm ready to rise again

Caught up in my thinking
Yeah
Like a prisoner in my mind
You pose so many questions
But the truth was hard to find
I better think twice i know
That i'll get over you

Looking my life
Looking my heart
I have seen them fall apart
Now i'm ready to rise again
Looking my hopes
Looking my dreams
Building bridges from the seas
Now i'm ready to rise again

Much time has passed between us
Do you still think of me at all
My world of broken promises
Do you still catch me when i fall

Look at my life
Look at my heart
I have seen them fall apart
Now i'm ready to rise again
Looking my hopes
Looking my dreams
Building bridges from the seas
Now i'm ready to rise again
