

## Someday we'll know - 1/1

**Interprété par New Radical.**

90 miles outside Chicago  
Can't stop driving  
I don't know why  
So many questions  
I need an answer  
Two years later  
You're still on my mind  
Whatever happened to milia Earhart  
Who holds the stars up in the sky  
Is true love once in a lifetime  
Did the captain of the Titanic cry

### CHORUS :

Someday we'll know  
If love can move a mountain  
Someday we'll know  
Why the sky is blue  
Someday we'll know  
Why i wasn't meant for you

Does anybody knows the way to Atlantis  
Or what the wind says when she cries  
I'm speeding by the place where I met you  
For the 97th time in the night

### CHORUS

Post script:

Seeing you in February was great  
Cliches eventually all come true  
"time heals all wounds"  
I went to get us our 9th drink  
and you ran out the door with another guy  
I woke up on the floor with my shoes on  
A smile on my face and I didn't even care
