

Blackhole - 1/1

Interprété par Beck.

windy, windy
looking for a better home
got me, got me
runnin' out of lightbulbs
cloudy, cloudy
open to a wastecan
yellow car, yellow car
better be inside there
wake up, wake up
nothin's gonna harm you
glass wall, glass wall
standin' on the furniture
little boy, little boy
layin' on a sleeping bag
watching, watching
through the cracks of his eyelids
stranger, stranger
feelin' on a broken stone
lost him, lost him
standin' on the orange chairs
alphabet, alphabet
can't afford a telephone
black hole, black hole
nothin's gonna harm you
