

Ocean - 1/1

Interprété par 3 LW.

He who stands by me
through the stormy weather
through good times and bad
always there for me
take me to the water
and quenches my thirst
my sweet inspiration
I wanna say

CHORUS :

your love
is an ocean
wide as the skies
a comfort to me
time after time
your precious love
fills up my cup
touches my soul

he who knows me better
than no man on earth
guides me to the mountain
witness my rebirth
makes me feel so worthy
to belong to him
i treasure my commitment
and its because

CHORUS

bridge:

when I think of your love
a ray of hope shines through
and shatters the darkness I face
erase all the doubts and the fears I chase
and guide me to your heavenly place
through thick and thin
I know you'll always be there
through thick and thin
I know I can depend on you
through thick and thin
you comfort me with your lovin arms
through thick and thin
hes mine mine

CHORUS
