CD Ladies & gentlemen
As around the
sun the earth knows she's revolving
And the rosebuds know to bloom in early May
Just as hate knows love's the cure
You can rest your mind assured
That I'll be loving you always
As now can't reveal the mystery of tomorrow
But in passing will grow older everyday
Just as all that's born is new
You know what I say is true
That I'll be loving you always
(Until the rainbow burns the stars out of the sky) always

(Until the ocean covers every mountain high)Um ooh I said it's gonna be always
(Until the day that) yeah oh oh oh
(Eight times eight times eight is four) You know it's gonna be always
(Until the day that is the day that are no more)
Did you know that true love asks for nothing

Her acceptance is the way we pay (ooh baby)
Did you know that life has given love a guarantee
To last through forever (forever) another day
As today I know I'm living but tomorrow (yeah)
Could make the past but that I mustn't fear 'cos you're here
Now I know deep in my mind
The love of me I've felt behind
And I'll be loving you always
Loving you until the rainbow burns the stars out in the sky

Loving you until the ocean covers every mountain high
I'll be loving you until the dolphins fly and parrots live at sea (oh yeah)
Loving you until we dream of life and life becomes a dream
Now ain't that loving you (Until the day is night and night becomes the day)
oh always (Until the trees and seas just up and fly away)
I'll be loving you forever
Day night anytime (until the day that eight times eight times eight is four)
Loving you day night any time
Oh always (until the day) loving you
(That is the day that are no more) you
Did you know that true love asks for nothing
