

I ain't moving - 1/2

Interprété par Desree.

love is my passion
love is my friend love is universal
love never ends
then why am I faced with so much anger pain ?
why should I hide ?
why should we ashamed?
time is much too short to be living somebody else's life
I walk with dignity
i step with pride
refrain
'Cause I ain't movin' from my face
from my race
from my history

I ain't movin' from my love
my peaceful love
it means too much to me
loving self can be so hard
honesty can be demanding
learn to love your self
it's a great , great feeling

when you're down
i will set you free
i will be your remedy
i will be your tree
a wise man is clever
seldom ever speaks a word
a foolish man keeps talking
never is he hard
time is too short to be living somebody else's life
i walk with dignity
i step with pride

refrain

time is too lonely without words
future voices need to be heard
eyebrows are always older than the beards
Momma said be brave
you've nothing to fear
time is much too short to be living somebody else's life
i walk with dignity
i step with pride

refrain

I ain't moving - 2/2

cos i ain't movin'
i've been here long before
i ain't moving cos i want more
i ain't moving got my feet on the ground
as far as i'm concerneed
love should win the round
