Proud to be a dread(Contd)

Leo, faces many trials,

But hold hid head up high.

He won't allow the hatred to

Make his spirit die.

Leo looks up the moon

Sitting in its silver spoon.

Maybe I should change my job,

Be an astronaut instead.

Chorus x2:

'Cos, i'll be better, I'll be stronger.

For the truth, I know takes longer.

I've the cunning of the tiger and the

Wiedom of the trees. I won't be sad,

Refuse the sorrow.

I look forward tomorrow.

I'll release my anger,

'Cos I'm proud to be a dread.

I'm kissing you.

Pride can stand a thousand trials

The strong will never fall

But watching stars without you,

My soul cried. Heaving heart is full of pain,

Oh, oh, the aching.

'Cos I'm kissing you, oh.

I'm kissing, oh.

Touch me deep, pure and true

Gift to me forever.

'Cos I'm kissing you, oh

i'm kissing you.

Where are you now? (x2)

'Cos I'm kissing you

I'm kissing you, oh, ohhhh!
