

Yo trippin' - 1/3

Interprété par Anastacia.

CD Not that kind

Whoa

Heya

All this time this life

Is a rhythm without a rhyme

'Cause it makes me feel, uh

I'm like a train without a wheel, whoa

You got me down, so low

I gotta be tough, won't touch the ground, ah

But - I'm alright

I won't give up without a fight

If you don't want to realize

That I would never compromise my

Integrity or my right to be free

There's nothing left for me to say

'Cause

Yo trippin'

There ain't nothing wrong

With the way I sing my song

Yo trippin'

Fire make me feel

Like my feelings stay so real

Yo trippin'

There ain't nothing wrong

With the way I sing my song

Hey, whoa

Yo trippin'

Why you feel (why you feel, why you feel)

That to be cruel

Is to be real, yeah

Honesty (honesty, yeah, honesty)

Is how I live

But you refuse to see that

You'll never wind the game of life

Ask why

You live in scene

From tellin' all those lies

Yo trippin' - 2/3

Can't live in peace
Your hart wont let me free
There's nothing left for me to say, yeah

Yo trippin'
There ain't nothing wrong
With the way I sing my song

Yo trippin'
Fire make me feel
Like my feelings stay so real

Yo trippin'
There ain't nothing wrong
With the way I sing my song

Whoa
Yo trippin'

Yeha
Why you always trinppin' on me

Yo trippin'
There ain't nothing wrong
With the way I sing my song

Yo trippin'
Fire make me feel
Like my feelings stay so real

Yo trippin'
There ain't nothing wrong
With the way I sing my song

Baby why you always
Trippin baby

Yo trippin'
There ain't nothing wrong
With the way I sing my song

Yo trippin'
Fire make me feel
Like my feelings stay so real

Yo trippin'
There ain't nothing wrong
With the way I sing my song

Yo trippin' - 3/3

Whoa
Yo trippin'
