X to the Z
Yeah
Bringin' it live to you and yours
Ladies and gentlemen
My homeboy yo!
Get at `em, dog
You don't want to fuck with me today
`Cause a little somethin' somethin' didn't go your way
So try not to be like that today
`Cause i'm a real motherfucker from `round the way
We don't give a fuck when we're rockin' the place
We're only givin' a fuck if your invading the space
So getcha getcha your groove on
Don't keep us waitin' too long
Don't you treat me like a toy kid, do you enjoy this
Every single second i'm alive, i'm a mess
Got these laser beam mic checks
Communicating through the genelec, high tech
Keep you on the run now
Don't wanna be that guy
Every single second i'm alive i'm alive
I don't understand why i got your trunk full of candy
And your so high bumping off the sweetness
This is what you need
Another little piece of me inside you
`Cause you know that i'll always keep it true
And that's exactly what i do
It's what I do, it's what I do
You don't wanna fuck with me today
`Cause a little somethin somethin didn't go your way
So, try not to be like that today
`Cause i'm a real motherfucker from `round the way
We don't give a fuck when we're rockin' the place
We're only givin' a fuck if you're invading the space
So getcha getcha get your groove on
Don't keep us waiting too long
I got breakneck delivery no time for chivalry
Extraordinary ability shit longevity
Dig deep in your soul and find yourself
`Cause mind control could turn y'all to someone else
So fast your head'll probably spin the fuck right off
Me and fred about to go half on Microsoft
Them live earning twenty percent

Getcha Groove ok - 2/2

Those little half-assed direct hits ain't even making a dent
What an event ah hell, Xzibit and Limp
As we attempt to bring home the championship
It's all in the risk i'll still lead the league and assist
Give me the fifth i'm drinking while i'm taking a piss, bitch You don't wanna fuck
with me today
`Cause a little somethin' somethin' didn't go your way
So try not to be like that today
`Cause i'm a real motherfucker from `round the way
We don't give a fuck when we're rockin' the place
We're only givin' a fuck if you're invading the space
So getcha getcha get your groove on
Don't keep us waiting to long
I got untapped material I serial kill shit
Give me that real shit quick X finish `em off quick
Makin' your jaw split when i'm touching the mosh pit
Constant conflict knockin' faggot's unconscious
Nauseous raisin' the stakes increasin' the weight
Got homies that can lay down and lift the plate
So, quit tryin' to invade my space
Before I call for a face-to-face and got to rest my case like
This is how we do it just recognize
We keep gettin' right to it lookin' into these eyes
Lookin' into these eyes and you'll see the size of the flames
Then you might despise the size of my game
Step the fuck back! Xzibit's on the track
You should have buckled up before your head hit the dash
You gotta hate that a demo from an eight-track
Brought me to a place where platinum comes in eight stacks
You don't wanna fuck with me today
`Cause a little somethin' somethin' didn't go your way
So, try not to be like that today
`Cause i'm a real motherfucker from `round the way
We don't give a fuck when we're rockin' the place
We're only givin' a fuck if you're invading the space
So getcha getcha your groove on
