CD CHOCOLATE STARFISH AND THE HOTDOG FLAVOUR WATER

I just read your letter
It says that you'll be gone for a while
Everything was gettin' better
I guess i'm just a fool strung out
What to do?
Life is through
Just want to kill
Myself for you
I wonder
just how sympathetic you'll be
You've come to take me under
And i've forgotten all about me
What to do?
My life is through
Just want to kill
Myself for you
So tell me why
You say goodbye?
And tell me why
You're fuckin' up my whole life?
Yeah, fuckin' up my whole life
So, i'm on my way
I leave today
If I get away
It'll be ok
It'll be ok
I'm looking out a window
Into a world that's taken you from me
And i'm feeling so disgusted
How pathetic can I possibly be?
What to do?
Life is through
Just want to kill
Myself for you
So tell me why
You say goodbye
And tell me why
You're fuckin' up my whole life
Fuckin' up my whole life
So, i'm on my way
I leave today
If I get away
It'll be ok
It'll be ok
If there's a better place you can take me
A better life you can give me

It'll be ok - 2/2

Whatever place I can start all over
Then I would never need what you gave me
And never need you to save me
And never feel like this life is over
If there's a better place you can take me
A better life you can give me
Whatever place I can start all over
Then I would never need what you gave me
And never need you to save me
And never feel like this life is over
Feel like this life is over
So, i'm on my way
I leave today
If I can get away
It'll be ok
It'll be ok
