I attention in the
world today
All the little girls fillin' up the world today
When the goods come to bad, the bad comes to good
But I'm gonna live a life like I should
Now all the critics wanna hit it
Shit can ever did it
Because they don't get it
But I'll stay fitted
Knew there committed
Unless this red cap
Gets a bad rap from his critics
Do we always gotta
cry? (Gotta cry)
Do we always gotta be inside a lie? (a lie)
Life is just a blast
Movin' very fast
Better stay on top
Or life will kick u in the ass
Follow me into a solo
Remember that, kid
So what you wanna do?
The way you run
When you starin' down a cable
of a mic put it that you grill like a gun
Limp Bizkit is rocking the set
Its like Russian Roulette
When you're placing your bet
So don't be upset
When your broke
And your done
Coz I'm gonna be the one
Till i jet
I know why you wanna
hate me
I know why you wanna hate me
I know why you wanna hate me
Cause hate is all the world that's even seen me
I know why you wanna hate me
I know why you wanna hate me
NOW I know why you wanna hate me
Cause hate is all the world that's even seen me
Why you wanna hate me
Cause hate is all the world that's even seen me
Now you wanna hate me
Cause hate is all the world that's even seen me
Now you wanna hate me

Take a look around - 2/2

Cause hate is all the world that's even seen me
Does anybody really know
the secret
And the combination for this life and where they keep it
Its kinda sad when you don't know the meaning
But everything happens for a reason
I don't even know what i should say
Cuz I'm an idiot a loser and a phone abuser
I analyze every second I exist
Beaten on my mind every second with my fist Everybody wanna run
(run)
Everybody wanna hide from the gun (gun)
You can take that ride through this life if you want
You can't take that edge off that knife (no sir)
And now you want your money back (money back)
But your denied cuz your brains fried from the sac
And there ain't nothing I can do
Cuz life is a lesson you'll learn it when your through
I know why you wanna
hate me
I know why you wanna hate me
I know why you wanna hate me
Cause hate is all the world that's even seen me
I know why you wanna hate me
I know why you wanna hate me
NOw I know why you wanna hate me
Cause hate is all the world that's even seen me
Why you wanna hate me
Cause hate is all the world that's even seen me
Now you wanna hate me
Cause hate is all the world that's even seen me
Now you wanna hate me
Cause hate is all the world that's even seen me (Now I know why..Now
