

Spaceman - 1/2

Interprété par Babylon Zoo.

Spaceman I

always wanted you to go
Into space man (intergalactic Christ)
Spaceman I always wanted you to go
Into space man (intergalactic Christ)
Pungent smells they consummate my home

Beyond the black horizon
Trying to take control
See my girl she shivers in her bones
The sun and zenith rising
Trying to take us all
There's a fire between us

So where is your God ?
There's a fire between us
I can't get off the carousel
I can't get off the carousel
I can't get off the carousel
I can't get off this world
This sickening state homophobic jokes

Images of fascist votes
Beam me up 'cos I can't breathe
Spaceman I always wanted you to go

Into space man
It's time to terminate the great wide world

Morbid fascinations
Television takes control
Decimation different races fall
Electronic information
Tampers with your soul
There's a fire between us

So where is your God
There's a fire between us
I can't get off the carousel
I can't fall off this world
This sickening state homophobic jokes

Images of fascist votes
Beam me up 'cos I can't breathe
Spaceman I always wanted you to go

Into space man (intergalactic Christ)
