

## Spaceman - 1/4

**Interprété par 4 non blondes.**

Starry night bring  
me down

Till I realize the moon

It seems so distant yet I felt it pass right through

And I see what I see a new world is over me

So I'll reach up to the sky

And pretend that I'm a spaceman

In another place and time

I guess I'm looking for a brand new place

Is there a better life for me?

Subtle wind blow me gone

Let me rest upon your move

I trust I'll end up sleeping cradled in my doom

And I feel what I feel

I can't grasp what is not real

So I'll get myself real high

And imagine I'm a spaceman

In another place and time

I guess I'm looking for a brand new place

Is there a better life for me?

I remember in my mind

They say I'm daydreaming

## Spaceman - 2/4

Is it all that it seems

Or am I all the things I'm looking for? ?ooh!

And I see what I see a new world is over me

And I'll reach up to the sky

And imagine I'm a spaceman

In another place and time

I guess I'm looking for a brand new place

I remember living in a different life

Is there a better life for me?

WHAT'S UP ?

Twenty-five  
years and my life is still

Trying to get up that great big hill of hope

For a destination

And I realized quickly when I knew I should

That the world was made up of this brotherhood of man

For whatever that means

And so I cry sometimes

When I'm lying in bed

Just to get it all out

What's in my head

And I am feeling a little peculiar

And so I wake in the morning

## Spaceman - 3/4

And I step outside

And I take a deep breath and I get real high

And I scream at the top of my lungs

What's going on?

And I say, hey hey hey hey

I said hey, what's going on?

Ooh, ooh ooh

And I try, oh my god do I try

I try all the time, in this institution

And I pray, oh my god do I pray

I pray every single day

For a revolution

And so I cry sometimes

When I'm lying in bed

Just to get it all out

What's in my head

And I am feeling a little peculiar

And so I wake in the morning

And I step outside

And I take a deep breath and I get real high

And I scream at the top of my lungs

What's going on?

And I say, hey hey hey hey

I said hey, what's going on?

## Spaceman - 4/4

Twenty-five years and my life is still

Trying to get up that great big hill of hope

For a destination
