

Anything - 1/2

Interprété par 3 T.

I'll give you all, the things you want

Ooh ah, ah, ah, ah, ah

1-I would do anything for you

I would do anything for you

I would do anything, girl, anything for you

Sitting at home another loney night

Wish you were here so I could hold you tight

Pain in my heart because I'm all alone

Why did you leave, why did your love have to go?

When I would do anything for you, I would

Thinking of ways that I can win your heart

But, I'm so confused I don't know where to start

Visions of love forever in my mind

I wait for the day when I could say that girl's mine

2-Cuz I would do anything for you, yes, I would

I'll give love, the things you want

Baby there's nothing in this world I wouldn't do

(Repeat 1)

So what can I do to prove I need your love?

What will it take because I won't give up

Anything - 2/2

Open your heart and let your feelings show

Cuz deep down inside my heart just won't let you go

(rpt 2, 1)

So if there ever comes a time

When it's truth that you hope to find

Just call out my name

And girl I swear I would do anything

I'll give you love, oh I'll give you love girl...

I would do anything for you

(ask and I will do this)

I would do anything for you

(anything for you babe)

I would do anything

(anything anything for you)

I'll give you love, oh, love.....repeat til fade
