Doll-dagga buzz-buzz ziggety-zag
Got my grotesque burlesque drag
Doll-dagga buzz-buzz ziggety-zag
Got my grotesque burlesque drag

All the goose step girlies with the cursive faces
We know it's all braile beneath their skirts
A bulletproof biz-op and swing heil
I don't really care what gentlemen prefer

Say all you pindown girls with bonafied ballers
So manically depressed and manically dressed
We got a venus not in furs but in uniforms
If you're not dancing, then you're dead

Doll-dagga buzz-buzz ziggety-zag
Got my grotesque burlesque drag
Doll-dagga buzz-buzz ziggety-zag
Got my grotesque burlesque drag

All the thug rock kids are playing
All the punk got angels saying
Tell all the rest of them we don't even know

All the thug rock kids are playing
All the punk got angels saying
Tell all the rest of them we don't even know

GO! GO! GO! Doppelgangers!
You're one of us! You're one of us!

GO! GO! GO!
Throw your cheek, doppelgangers
You're one of us!

Trouble now junkies ain't silver tongued
Marching down the stairway to substance
Cocaingels and asses give me opium masses
Tell your church-born preachers we'll fill up your glasses

Doll-dagga buzz-buzz ziggety-zag
Got my grotesque burlesque drag

Doll-dagga buzz-buzz ziggety-zag
Got my grotesque burlesque drag

All the thug rock kids are playing
