

The better of two evils - 1/3

Interprété par Marilyn Manson.

Haters call me bitch
Call me faggot
Call me whiney
I am something you can never be
Hey!

Yeah, yeah, yeah

Hold a prayerful smile for the picture
Motherfuckers never liked me then
And they sure won't like me now
Try to drag me down in your cliché
You fake your picture, fake your face
So I find all my pleasure in your misery, yeah

Yeah, yeah, yeah

I'll step on you on my way up
I'll step on you on my way down
I'll step on you on my way up
I'll step on you on my way down

Haters call me bitch
Call me faggot
Call me whiney
But I am something that you'll never be
Hey!
Haters call me bitch
Call me faggot
Call me whiney
But I am something that you'll never be
Hey!

I'll be your scapegoat
I'll be your savior
I'm the better of two evils
Yeah, yeah, yeah
I'm the better of two evils
Yeah, yeah, yeah
I'm the better of two evils
Yeah, yeah, yeah

I want to hang all you cattle with your velvet rope
Motherfuckers step up and get into an orderly line
I'll show you how to make a muscle
Takes the strength to
It doesn't spit on all you paparazzi Nazis, yeah

The better of two evils - 2/3

Yeah yeah yeah

I'll step on you on my way up
I'll fucking step on you on my way down

Haters call me bitch
Call me faggot
Call me whiney
But I am something that you'll never be
Hey!
Haters call me bitch
Call me faggot
Call me whiney
But I am something that you'll never be
Hey!

I'll be your scapegoat
I'll be your savior
I'm the better of two evils
Yeah, yeah, yeah
I'm the better of two evils
Yeah, yeah, yeah
I'm the better of two evils
Yeah, yeah, yeah

Don't try to lead me to temptation
Don't try to lead me to temptation
Don't try to lead me to temptation
I made a living, and I already know the way
Hey!

Haters call me bitch
Call me faggot
Call me whiney
But I am something that you'll never be
Hey!
Haters call me bitch
Call me faggot
Call me whiney
But I am something that you'll never be
Hey!

I'll be your scapegoat
I'll be your savior

I'm the better of two evils
Yeah, yeah, yeah
I'm the better of two evils

The better of two evils - 3/3

Yeah, yeah, yeah
I'm the better of two evils
Yeah, yeah, yeah
