

## Be my princess - 1/1

Interprété par Damien Saez.

Breath every day of your life  
You don't know why  
I know you're just the evil-eye  
But you look like  
A fucking paradize  
Be my princess  
Be mine tonight  
Beed everday of your life  
You don't know why  
I know you're just the evil-eye  
But you look like  
A fucking paradize  
Somedays you just wan to pass away  
Somedays you feel like it's a perfect day  
Somedays you cry  
Somedays you smile  
Somedays are better than others  
Somedays you just wan to pass away  
Somedays you feel like it's a beautiful day  
Somedays you cry  
Somedays you smile  
Somedays are better than others  
Now I dream I can fly ...  
Far above the ground  
Without you  
Now I touch the sky.
