

B2K is hot - 1/1

Interprété par B2K.

B2K got the ladies jumpin
and keep the party bumpin
And all the fellas thumpin, like
B2K is hot
The party flippin
And ain't nobody trippin
All the fellas chillin, like
repeat twice

Step in the party lookin tight tonight
Got all the ladies givin eye tonight
You know I drove my CL-5 tonight
And so you know all the ladies wanna ride tonight
So I proceeded to hit the dancefloor
Got the ladies pullin my clothes sayin "Gimme some more"
I'm sayin it's gettin kinda crazy
I'm sayin take it slow
But she wouldn't stop trippin, so I had to go

repeat hook twice

Up in the place I'm on the move you see
Got all the ladies wantin to groove with me
I see my fellas in the V.I.P.
And so I tell em you gotta come party with me
So we proceeded to hit the dance floor
Got ladies pullin my clothes sayin "Gimme some more"
I'm sayin it's gettin crazy
I'm sayin take it slow
But she wouldn't stop trippin so we had to go

repeat hook twice

Lil Fizz....
LIL FIZZ'S RAP:
I drive the CL-5 to a standing ovation
It's me, Lil Fizz, Top Playa Numba One, relation
Got chicks chasin me, half Black and Asian
Get the number, page em, game em, replace em
With another dime at the same time
They all wanna be with me, screamin my name
Go F-I-Z-Z
On the phone with their friends like, "How cool is he?" (HA)

Ain't nobody trippin
