

# HOLIER THAN THOU - 1/1

**Interprété par Metallica.**

No more !

The craps rolls out your mouth again

Haven't changed, your brain is still gelatin

Little whispers circle around your head

Why don't you worry about yourself instead

Who are you? where ya been? where ya from?

Gossip is burning on the tip of your tongue

You lie so much you believe yourself

Judge not lest ye be judged yourself

Holier than thou

You are

Holier than thou

You are

You know not

Before you judge me take a look at you

Can't you find something better to do

Point the finger, slow to understand

Arrogance and ignorance go hand in hand

It's not who you are it's who you know

Others lives are the basis of your own

Burn your bridges build them back with wealth

Judge not lest ye be judged yourself

Holier than thou

You are

Holier than thou

You are

You know not
