

Mediocrity rules - 1/1

Interprété par Le Tigre.

So you wanna hang out with me tonight?

Well

You're cool, but I'm right, so

I'll set the dial to "no fights."

And as we leave the club,

and the sun is coming up, you ask,

"Have I failed to entertain?"

I say no man, it's ok.

Cuz I already knew

that when I'm with you

Mediocrity rules, man.

Mediocrity rules.

Life is but a compromise

and I can see it in your eyes that

nothing scares you like a real idea.

But no man, it's ok,

you didn't waste my day

Cuz I already knew

that when I'm with you

Mediocrity rules, man.

Mediocrity rules.

Yabba dabba dabba doo, man.

Yabba dabba dabba doo.

Yabba dabba dabba doo, man.

Yabba dabba dabba dude.
