The remedy - 1/2

Interprété par Jason Mraz.

Well I saw fireworks from the freeway
 And behind closed eyes I cannot make them go away
 'Cause you were born on the fourth of july, freedom ring
 Well something on the surface it stings
 I say something on the surface
 Well it kind of makes me nervous
 Who say that you deserve this
 And what kind of god would serve this?
 We'll cure this dirty old desease
 Well if you got the poison i got the remedy

The remedy is experience
It is a dangerous liaison
I say the comedy
Is that its serious
Which is a strange enough new play on words
I say the tragedy is how you're gonna spend
The rest of your nights with the light on
So shine the light on all of your friends
Well it all amounts to nothing in the end

I won't worry my life away
I won't worry my life away

Well I heard two men talking on the radio
In a cross fire kind of new reality show
Uncovering the ways to plan the next big attack
Well they were counting down the days to stab the brother in
The be right back after this
The unavoidable kiss
Where the minty fresh death breath is sure to outlast his catastrophe
Dance with me
Because if you've got the poison I've got the remedy

The remedy is experience
It is a dangerous liaison
I say the comedy
Is that its serious
Which is a strange enough new play on words
I say the tragedy is how you're gonna spend
The rest of your nights with the light on
So shine the light on all of your friends
Because it all amounts to nothing in the end

I won't worry my life away
I won't worry my life away

When i fall in love
I take my time
There's no need to hurry when I'm making up my mind
you can turn off the sun
But I'm still gonna shine
And I tell you why

The remedy is experience
It is a dangerous liaison
I say the comedy
Is that its serious
Which is a strange enough new play on words
I say the tragedy is how you're gonna spend
The rest of your nights with the light on
So shine the light on all of your friends
Well it all amounts to nothing in the end

I won't worry my life away(x4)
