

Stand up as people - 1/2

Interprété par Blue.

All I hear is voices in the crowd They only whisper though they frown People saying "oh its such a shame" Still they only look to pass the blame

(Bridge)

If we can find a way to work things out The only way to start is to start now

(Chorus)

When are we gonna stand up as people Realise that as people we're all equal We dont want no world war sequal For the love of God think of the people When are we gonna stand up as people Realise that as people we're all equal We dont want no world war sequal For the love of God think of the people

Children always learn about what they see So we gotta practice what we preach Dont you know thats the game of life We refuse when we choose to fight

(Bridge)

If we can find a way to work things out The only way to start is to start now

(Chorus)

When are we gonna stand up as people Realise that as people we're all equal We dont want no world war sequal For the love of God think of the people When are we gonna stand up as people Realise that as people we're all equal We dont want no world war sequal For the love of God think of the people

I pray before i sleep at night that I wake to find a clear blue sky

(Chorus)

When are we gonna stand up as people Realise that as people we're all equal We dont want no world war sequal For the love of God think of the people When are we gonna stand up as people
