

## Love of my life - 1/2

**Interprété par Erykah Badu.**

[erikah]

Bring it over here and let's go back  
way back  
ooh...  
way back, yeah

i met him when i was a  
a little girl, he gave me  
he gave me poetry and he was my first

but in my heart i knew i  
wasn't the only one  
cause when the tables turned  
he had to break up

whenever i got lonely  
or needed some advice  
he gave me his shoulder  
his words was very nice

but that is all behind me  
cause now there is no other  
my love is his and his is mine  
a friend become the

[refrain]

Love of my life  
you are my friend  
Love of my life  
i can depend  
Love of my life  
without you, baby  
it feels like a simple true love

(hope this shit ain't clear)

[common]

a freak freak y'all, and ya don't stop  
to the beat y'all and ya don't stop  
a freak freak

[erikah]

or could it be that he was  
all just so simple then  
a teenage lover who said  
he's just a friend

## Love of my life - 2/2

he moved around and we kept  
in touch through his friend Mike  
the world was young and we knew  
we couldn't rush but

whenever i got lonely  
or needed some advice  
he gave me his shoulder  
his words was very nice

but that is all behind me  
cause now there is no other  
my love is his and his is mine  
a friend became the love of my life

[Refrain]

(hope this shit ain't clear)

[common]

y'all know how i met her  
we broke up and go back together  
to get her back i had to sweat her  
thought she roll with bad boys forever in many ways  
them boys maybe better, to i had to let her (never)  
she needed cheddar and i understood that  
lookin for cheese, that don't make her hood rat (rat)  
in fact she's a queen to me, her light beams to me  
i love when she sings to me  
it's like that now

[erikah]

love of my life  
ooh, you know, you rock my world and  
love of my life  
you be boy and i'll be girl and  
love of my life  
we don't stop until the break of dawn, ooh....

love of my life  
ooh, you know, you rock my world and  
love of my life  
you be boy and i'll be girl and  
love of my life  
yeah.....
