

Do you remember - 1/2

Interprété par Aaron Carter.

ohhhohhhh yeah
ooooh
oohohh

Remember we'd be up all night
Talking'til the morning light, year
Like the way it used to be
Those simple days
Just you baby I know

I think baby I know
What's on your mind
Cuz you look like you've
Got something to say, year

I may not say those words anymore
But maybe it just ain't my way

You ask me do I love you but
Do you remember
Why I walked on water for you
Do you remember
My first steps on the moon
Have you ever wondered why
I gave three wishes to you
You asked a question
But the answer lies
In you, in you
The answer lies in you

Remember we used to laugh and say
No one understood our way
When you would cry
And came knocking
On my door
And I was there
To shelter your pain, oh

I think baby you should
Get that off your mind
Make it seem like
A brighter day

I may not say those words anymore
But maybe I can make it my way, year

You ask me do I love you but

Do you remember - 2/2

Do you remember
Why I walked on water for you
Do you remember
My first steps on the moon
Have you ever wondered why
I gave three wishes to you
You asked the question
But the answer lies
In you in you
The answer lies in you

The answer girl
Lies within your heart
Please take a look inside

You ask me do I love you but
Do you remember
Why I walked on water for you
Do you remember
My first steps on the moon
Have you ever wondered why
I gave three wishes to you
You asked the question
But the answer lies
In you, in you
The answer lies in you

In you, in you
The answer lies in you, year

In you, in you
The answer lies in you, year

In you, in you
The answer lies in you, year
