

## Workin' Day And Night - 1/2

Interprété par Michaël Jackson.

Lover boy

Ooh, my honey  
You got me workin' day and night  
Ooh, my sugar  
You got me workin' day and night

Scratch my shoulder  
It's aching  
Make it feel alright  
When this is over  
Lovin' you will be so right

I often wonder  
If lovin' you will be tonight  
But what is love, girl  
If I'm always out of sight

Refrain:  
That's why  
You got me workin' day and night  
And I'll be workin'  
From sun up to midnight

(You got me workin')  
(Workin' day and night)  
(You got me workin')  
(Workin' day and night)  
Hard  
(You got me workin')  
(Workin' day and night)  
Hard, hard  
(You got me workin')  
(Workin' day and night)

You say that workin'  
Is what a man's supposed to do  
And I say it ain't right  
If I can't give sweet love to you, yeah

Hard  
I'm tired of thinkin'  
Of my life's supposed to be, well  
Soon enough darlin'  
This love will be reality  
Hard

## Workin' Day And Night - 2/2

How can you live, girl  
'Cause love for us was meant to be, well  
Hard  
Then you must be seein'  
Some other guy instead of me

That's why  
(You got me workin' day and night)  
I don't wanna stand it  
(And I'll be workin')  
(From sun up to midnight)

(You got me workin')  
(Workin' day and night)  
Hold on  
(You got me workin')  
(Workin' day and night)  
I'm so tired, tired, now  
(You got me workin')  
Hard  
(You got me workin')  
(Workin' day and night)

Take it over, girl  
Take it over  
Girl  
Hard  
I'm so tired, tired, now  
How can give to you, yeah  
By doing what you do, girl
