

## Guilty - 1/1

Interprété par The Rasmus.

I feel guilty.  
My words are empty.  
No signs to give you.  
I don't have the time for you.

You say I'm heartless.  
And you say I don't care.  
I used to be there for you.  
And you've said I seem so dead, that I have changed.  
But so have you.

Guilty, guilty I feel so  
Empty, empty you know how to make me feel.

I put a shield upon you.  
I didn't mean to hurt you.  
You used to be there for me.  
So don't you leave say goodbye.  
Cause you have changed but so have I.

I never thought that the time and the distance.  
Between us made you so much colder.  
I'll carry the world on my shoulders.
