

Lucky star - 1/2

Interprété par Superfunk Feat. Ron Carroll.

Let me be your lucky star
Shinning on

Lucky star baby,I want to be baby your lucky star
Let me be baby
I want to be baby your lucky star
Oh oh oh
Listen

Every night you look up in the sky,babe
There is light shinning in the darkness
It's me looking down on you girl
In my heart you are the only one in my world

The some time just the time to know me
And let me show you how much you in to me
I'll be the star shinning on you

I want to be your lucky star
I want to be,yeah
I want to be your lucky star,lucky star,
Lucky star,shinning on you,baby
I want to be your lucky star
Listen baby

Heart to heart this way
I want to be
With your love I know I have to be
I give you a step all the way

I've seen you each day and every day
My love for you is so strong
I know thatnothing will go on
With you my life will be so happy
You won't regret my love

I want to be your lucky star
I want to be,yeah
I want to be your lucky star,lucky star
Lucky star shinning on you,baby
I want to be your lucky star
Listen baby

I want to be your lucky star,
Shine down on you,watch over you,
Every step,all the way
Just let me be hat star

Lucky star - 2/2
