

Not falling - 1/1

Interprété par Mudvayne.

Always, known in, all my time,

A little left of center now

Reflect as I realize,

That all I need is to find the middle pillar path to sit like the sun by a star in the sky and just be.

Sinners, casting stones at me

- I... I stand, not crawling, not falling down
- I... I bleed the demons that drag me down
- I... I stand, (for nothing), not crawling, (the center), not falling down (of calms within the eye)
- I... I'll bleed, (for no one), The demons, (but myself), that pull me down (for me and no one else)

Goodbye, sunshine, I've put it out again, sad

I'm over, personalities, conflicting, I don't need you, or anyone, but me, I'll just be, living my own life

I feel my glowing center grow, infecting

I feel alive

Shovel dirt over lime, plant it in myself to sit like a seed under covers of earth and just be Sinners, pointing fingers at me

- I... I stand, (for nothing), not crawling, (by myself), not falling down
- I... I bleed, (for no one), the demons, (but myself), that drag me down
- I... I stand, (for nothing), not crawling, (the center), not falling down (of calms within the eye)
- I... I'll bleed, (for no one), the demons, (but myself), that pull me down (for me and no one else)

Come play kill

Refuse my body, refuse my shadow

Stond cold will

Refuse to lead this, refuse to follow

Bitter pills

Refuse to feed this, refuse to swallow

I'm fueled godless

Come play, come play

KILL

Just be, just be
