

Love is beautiful thing - 1/2

Interprété par Krystal Harris.

Been so long since I met you
And all the changes we've been through
And all this time I can't forget you
Everywhere I turn I think of you
And I wanna love ya baby
And you are all I need

Soul to soul, fire to fire
Nothings like this hearts desire
Love is a beautiful thing
One to one, you and me
Maybe it's our destiny
Cuz love is a beautiful thing, it's so beautiful (beautiful)

Love is such a sweet emotion
I want to share it all with you
Your trust and, and this devotion
There ain't nothing in this world we can't do
Tonight, I want to thank, thank you baby
And you make my life complete

Soul to soul, fire to fire
Nothings like this hearts desire
Love is a beautiful thing
One to one, you and me
Maybe it's our destiny
Cuz love is a beautiful thing, it's so beautiful (beautiful)

Somebody raise your hand now
Yeah, ooh, no, no, no, no, no
And I, I wanna thank you baby
And you, you're all I need

Soul to soul, fire to fire
Nothings like this hearts desire
Love is a beautiful thing
One to one, you and me
Maybe it's our destiny
Cuz love is a beautiful thing, it's so beautiful

Stay together through thick and thin
Now I know I've got a friend
Love is a beautiful thing
Face our fears through the years, there's no tears
Oh ! Love is a beautiful thing
Soul to soul, fire to fire
Nothing like this hearts desire

Love is beautiful thing - 2/2

Cuz love is a beautiful thing
