

He loves u not - 1/2

Interprété par Dream.

Give it your all girl
Give it all you got
Take your chance at a second hand shot
Say what you want girl
Do what you do
He's never gonna, gonna make it with you

Pulling petals off a flower trying to get your way
Keep pulling til' it says what you want it to say
Girl you can pick a field full of daisies
But he'd still be my baby
I know you can ably waiting till I'm away from him
Instinctively, I know what you're thinking
You'll be giving him an open invitation
But my baby won't be taken in, no

You can pout your cherry lips
Try to tend him with a sweet kiss
You can flutt your pretty eyes
He ain't got his hands tied

No chains to unlock
So free to do what he wants
He's into what he's got
He loves me, he loves you not
No matter what you do
He's never gonna be with you
He's into what he's got
He loves me, he loves you not

You're the kind of girl that's always up for do or dare
Only want him just because he's there
Always looking for a new ride
The grass is greener on the other side
You're the kind of girl who's not use to hearing no
All your lovers try to take you where you wanna go
It doesn't matter how hard you try
You're never gonna get with my guy

No chains to unlock
So free to do what he wants
He's into what he's got (and that's me)
He loves me, he loves you not
No matter what you do
He's never gonna be with you (with you)
He's into what he's got
