

Come on - 1/2

Interprété par Josie And The Pussycats.

I don't want to be your girlfriend
I'm just looking for
A real good time all right
Can you guarantee me satisfaction
Need some action
Gonna get it tonight
So I'm telling you, boyfriend
That you've never met
A girl like me before
Not gonna wait a long time
Better make up your mind

Are you in?
Are you out?
Shake it down
Wanna scream
Wanna shout
Give it up
Get it on
Or get out

Come on, come on
(Come on, come on) (4 fois)

You know I've got my
Pick of any toy, little boy
Replaceable
Disposable
Fully action poseable
When everything's said and done
There's many more
Where you came from
Don't just stand there looking dumb
Baby, you're the lucky one

Are you in?
Are you out?
Shake it up
Shake it down
Wanna scream
Wanna shout
Give it up
Get it on
Or get out

Come on, come on
(Come on, come on) (4 fois)

Come on - 2/2

(So come on)
Tell me what you wanna do
I can't wait around for you
It's not a mystery
(So come on)
Tell me what you wanna do
I can't wait around for you
Be with me

Are you in?
Are you out?
Shke it up
Shake it down
Wanna scream
Wanna shout
Give it up
Get it on
Or get out

Come on,come on
(Come on,come on) (4 fois)
