

## Try honesty - 1/1

**Interprété par Billy Talent.**

well I tripped, I feel down naked  
when I scratched my knees they bled  
Sew up my eyes, need no more  
In our game, there is no score!

Forgive me father, why such ya brother  
Try honesty, try honesty  
Hop in your dump truck, reverse for good luck  
Ride over me, ride over me

Insane assault, so sly  
Your well of lies ran dry  
I cut the cord, free fall  
so high I seem so small!

Forgive me father, why such ya brother  
Try honesty, try honesty  
Hop in your dump truck, reverse for good luck  
Ride over me, ride over me  
Take on the whole world, fight the young girls  
Die tragedy, die tragedy  
Call me a cheapskate, come on for Pete's sake  
Cry agony, cry agony

i'm Insane it's your fault so sly (quelques fois)

Forgive me father, why such ya brother now ?  
Forgive me father, why such ya brother now ?

Forgive me father, why such ya brother  
Try honesty, try honesty  
Hop in your dump truck, reverse for good luck  
Ride over me, ride over me  
Take on the whole world, fight the young girls  
Die tragedy, die tragedy  
Call me a cheapskate, come on for Pete's sake  
Cry agony, cry agony
