Open your eyes, I see
Your eyes are open
Wear no disguise for me
Come into the open

When it's cold (When it's cold) outside (outside)
Am I here in vain?
Hold on to the night
There will be no shame

Always, I wanna be with you
And make believe with you
And live in harmony, harmony oh love
(Always) I wanna be with you
And make believe with you
And live in harmony, harmony oh love
(Always)

Melting the ice for me
Jump into the ocean
Hold back the tide, I see
Your love in motion

When it's cold (When it's cold) outside (outside)
Am I here in vain?
Hold on to the night
There will be no shame

Always, I wanna be with you
And make believe with you (Always)
And live in harmony, harmony oh love
(Always) I wanna be with you (Always)
And make believe with you (Always)
And live in harmony, harmony oh love
(Always)

When it's cold (When it's cold) outside (outside)
Am I here in vain?
Hold on to the night (When it's cold in the night)
(Where the new love grows) There will be no shame (no shame)

Always, I wanna be with you
And make believe with you
And live in harmony, harmony oh love (the leaves are falling down)
(Always) I wanna be with you
And make believe with you
And live in harmony, harmony oh love
