oh I am growing tired of allowing you to steal everythig I have you're making me feel like I was born to service you but I am growing by the hour

you left us far behind so we all discard our souls and blaze through your skies so unafraid to die

'cause I was born to destroy you and I am growing by the hour and I'm getting strong in every way yeah, yeah

you led me on you led me on you

oh, and I'm getting strong in every way yeah, yeah
