

There' s no home for you here - 1/2

Interprété par The White Stripes.

there's no home for you here girl,
go away
there's no home for you here

I'd like to think that all of this
constant interaction
is just the kind to make you drive
yourself away
each simple gesture done by me is
counteracted
And leaves me standing here with
nothing else to say

Completely baffled by a backward
indication
that an inspired word will come
across your tongue
hands moving upward to propel the
situation
Have simply halted
and now the conversation's done

there' s no home for you here girl,
go away
there's no home for you here

I' m only waiting for the proper time
to tell you
that it' s impossible to get along xith
you
It' s hard to look you in face when
we are talking
So it helps to have a mirror in the
room

I 've not been really looking forward
to the performance
But there's my cue and there's a
question on your face
fortunately i have come across an
answer
Which is go away
and do not leave a trace

There's no home for you here girl
go away
ther's no home for you here

There' s no home for you here - 2/2

waking up for breakfast
burning matches
talking quickly
breaking baubles
throwing garbage
drinking soda
looking happy
taking pictures
so completely stupid just go away
there's no home far you here girl,
go away
There's no home far you here
