

## The black cat - 1/1

**Interprété par London After Midnight.**

Oh little girl don't go away-just come to bed-and there we'll stay,oh little girl ,lie close to me-close your eyes-what do you see-Black cat-entranse me,devour me-The storm outside is raging still-there's no escape,the one that kills-oh little girl ,the time has come-we think and move-exist as one-Black cat-entranse me,devour me
