

Drift away - 1/2

Interprété par Uncle Kracker.

Day after day i'm more confused
Yet I look for the light through the pouring rain
You know that's a game that I hate to lose
And i'm feeling the shame
Unh the shame I want to get lost in your rock and roll

Ohh give me the beat boys and free my soul
I want to get lost in youe rock and roll
And drift away
Give me the beat boys and free my soul
And drift away
Won't you take me away

Beginning to think that I'm wasting time
I don't understand the things I do
The worl outside looks so unkind
And i'm counting on you
You can carry me through

Ohh give me the beat boys and free my soul
I want to get lost in youe rock and roll
And drift away
Give me the beat boys and free my soul
And drift away
Won't you take me away

And when my mind is free
You know a melody can move me
When I'm feeling blue
the guittars comin' through to soove me

Thanks for the joy that you given me
Ooohh the joy that you given me
I want you to know that I beleive in your song
Rythm and rhyme and harmony
It held me long, made me strong
Ahh it made me strong

Ohh give me the beat boys and free my soul
I want to get lost in your rock and roll
And drift away
Give me the beat boys and free my soul
I want to get lost in your rock and roll
And drift away

And give me the beat boys and free my soul

Drift away - 2/2

I want to get lost in your rock and roll
And drift away
Just give me the beat boys and free my soul
I want to get lost in your rock and roll
And drift away

Won't you take me away
Ohh won't you take me, ohh won't you take me
I wanna drift away
Won't you take me away
I wanna drift away
I wanna drift away
Take me on
And let me drift away
Won't you take me away
